Dear Prospective Families,

Thank you for your interest in Warren-Walker School. We are eager to introduce you to our community. Enclosed please find materials that will clarify our application process.

Once we receive your application, our Admission Office will call you to schedule a tour and interview. The tour and interview provide you and your family an in-depth look at our program. During the parent interview, each family meets individually with the Director of Admission so that we can learn about your child and your family, and so that you can ask any specific questions you may have.

Our deadline for applications is February 1, 2010. Applications received after the deadline will be considered if we have open spaces in a particular grade.

The admissions' decisions are made once an applicant's file is complete. Our Application Requirements for specific grade levels are included in this packet, and the back cover is a checklist to help you keep track of the steps in the process.

We look forward to meeting your family and working with you through the admissions process.

Sincerely,

Caroline Fisk

Director of Admission
